Index to 1991 volume

Authors and titles

Aggregate index of environmental quality: the example of a traditional city in Nigeria (Odemerho and Chokor), 35–58

Aitken, C. K., Duncan, H. and McMahon, T. A., Cross-sectional regression analysis of residential water demand in Melbourne, Australia, 157–165

Barker, D., *see* McGregor, D. F. M.

Birnbaum, S., *see* Cutter, S. L.

Bullock, P. R., Seepage scald in southeastern Australia, 59–81

Chokor, B. A., *see* Odemerho, F. O.

Cross-sectional regression analysis of residential water demand in Melbourne, Australia (Aitken *et al.*), 157–165

Cutter, S. L., Tiefenbacher, J., Birnbaum, S., Wiley, J. and Solecki, W. D., Throwaway societies: a field survey of the quantity, nature and distribution of litter in New Jersey, 125–141

Distribution, extent and causes of peat loss in central and northwest Ireland (Large and Hamilton), 309–326

Drought, groundwater management and land use planning: the case of central Oahu, Hawaii (Ridgley and Giambelluca), 289–307

Duncan, H., *see* Aitken, C. K.

Ebisemiju, F. S., Some comments on the use of spatial interpolation techniques in studies of man-induced river channel changes, 21–34

Ellaway, M., *see* Gillieson, D.

Ellis, B., Urban runoff quality in the UK: problems, prospects and procedures, 187–200

Fewtrell, L., Freshwater recreation: a cause for concern?, 215–226

Flood history of the limestone ranges, Kimberleys, Western Australia (Gillieson *et al.*), 105–123

Freshwater recreation: a cause for concern? (Fewtrell), 215–226

Giambelluca, T. W., *see* Ridgley, M. A.

Gillieson, D., Smith, D. I., Greenaway, M. and Ellaway, M., Flood history of the limestone ranges, Kimberleys, Western Australia, 105–123

Greenaway, M., *see* Gillieson, D.

Hamilton, A. C., *see* Large, A. R. G.

Hoare, A., Riley's Report: geography (mis) applied?, 91–103

Jones, F., Public health aspects of the water cycle: a review, 179–186

Kay, D. and McDonald, A. T., Water quality issues, 171–177

Kimmage, K., Small-scale irrigation initiatives in Nigeria: the problems of equity and sustainability, 5–20

Kirk, R. M., River–beach interaction on mixed sand and gravel coasts: a geomorphic model for water resource planning, 267–287

Land degradation and hillside farming in the Fall River basin, Jamaica (McGregor and Barker), 143–156

Large, A. R. G. and Hamilton, A. C., The distribution, extent and causes of peat loss in central and northwest Ireland, 309–326

McDonald, A. T., *see* Kay, D.

McGregor, D. F. M. and Barker, D., Land degradation and hillside farming in the Fall River basin, Jamaica, 143–156

McMahon, T. A., *see* Aitken, C. K.

Mason, C. and Robins, R., The spatial externality fields of football stadiums: the effects of football and non-football uses at Kenilworth Road, Luton, 251–266

Mitchell, G. N., Water quality issues in the British uplands, 201–214

Odemerho, F. O. and Chokor, B. A., An aggregate index of environmental quality: the example of a traditional city in Nigeria, 35–58

Public health aspects of the water cycle: a review (Jones), 179–186

Relating salmon catch trends to acid deposition and catchment characteristics (Waters), 227–243

Ridgley, M. A. and Giambelluca, T. W., Drought, groundwater management and land use planning: the case of central Oahu, Hawaii, 289–307

Riley's Report: geography (mis)applied? (Hoare), 91–103

River–beach interaction on mixed sand and

gravel coasts: a geomorphic model for water resource planning (Kirk), 267–287
Seepage scald in southeastern Australia (Bullock), 59–81
Small-scale irrigation initiatives in Nigeria: the problems of equity and sustainability (Kimmage), 5–20
Smith, D. I., *see* Gillieson, D.
Solecki, W. D., *see* Cutter, S. L.
Some comments on the use of spatial interpolation techniques in studies of man-induced river channel changes (Ebisemiju), 21–34
Spatial externality fields of football stadiums: the effects of football and non-football uses at Kenilworth Road, Luton (Mason and Robins), 251–266
Throwaway societies: a field survey of the quantity, nature and distribution of litter in New Jersey (Cutter *et al.*), 125–141
Tiefenbacher, J., *see* Cutter, S. L.
Urban runoff quality in the UK: problems, prospects and procedures (Ellis), 187–200
Water quality issues (Kay and McDonald), 171–177
Water quality issues in the British uplands (Mitchell), 201–14
Waters, D., Relating salmon catch trends to acid deposition and catchment characteristics, 227–243
Wiley, J., *see* Cutter, S. L.
